1. On two occasions in the past Mrs. [REDACTED] was brought to Washington, D.C., from New York City for the purpose of interview in the presence of representatives of CIA and other intelligence agencies. 2. Upon the conclusion of Mrs. [REDACTED] last interview, she indicated the fact that she would no longer travel to Washington, D. C., on the basis of ten dollars (\$10.00) per diem and travel expenses. She further stated that for similar interviews or equivalent, she customarily receives a lecture fee of one hundred dollars (\$100.00) plus expenses, but in the instance of appearing before a U. S. Government Agency, she would accept a fee of fifty dollars (\$50.00), plus travel expenses.

5. Based on previous interviews it has been determined that [REDACTED] presentations are of sufficient intelligence value to justify reimbursing her on the basis of fifty dollars (\$50.00) per presentation, plus travel expenses.

6. It is therefore requested that provision be made, and the Contact Branch authorized to pay [REDACTED] for any future presentations on the basis indicated above. It is estimated that there will be but a very limited number of future presentations made by Mrs. [REDACTED]
